Petitioner

Case 28-RC-232954

MOTION FOR CONTINUANCE

Having received the Region's January 18, 2019 Order setting a hearing for January 29, 2019, Sysco Arizona, Inc. ("Respondent") respectfully moves to continue the hearing to the next available day after January 30, 2019. This continuance is being sought because the undersigned counsel has a mediation on January 30, 2019 that has been scheduled since December 20, 2018 and involves out of state travel for some of the participants. The continuance is further justified because potential witnesses for Respondent are unavailable due to preexisting professional commitments. Respondent sought the Union's position on this continuance and has not received a response.

Respectfully submitted,

DATED: January 23, 2019
